Fifty-third session
Agenda item 62
QUESTION OF CYPRUS

SECURITY COUNCIL
Fifty-third year

Letter dated 7 October 1998 from the Permanent Representative of Cyprus to the United Nations addressed to the Secretary-General

Upon instructions from my Government and further to my letter dated 30 September 1998, I have the honour to draw your attention to new violations of the national airspace of the Republic of Cyprus and of the flight information region of Nicosia by military aircraft of the Turkish Air Force, recorded on 13 September 1998.

On that day, twelve F-16, one C-130, two C-160 and one propeller aircraft of the Turkish Air Force entered the northern part of the Nicosia flight information region, violating international air traffic regulations as well as the national airspace of the Republic of Cyprus. The twelve F-16 and the two C-160 exited thereafter in a south-easterly direction. The C-130 and the propeller aircraft violated the national airspace of the Republic of Cyprus, flying over the Cape of Apostle Andreas before exiting in a south-easterly and northerly direction, respectively.

The three transport aircraft (one C-130, two C-160) violated anew the flight information region of Nicosia by entering its south-eastern region in violation of international air traffic regulations before exiting towards the Ankara flight information region.

As stated in my previous letters, such unauthorized intrusions into the flight information region of Nicosia and the national airspace of the Republic of Cyprus are in violation of international air traffic rules and, at the same time, they are in contravention of the provisions of the Security Council resolutions on Cyprus, which state that such overflights increase tension on the island and undermine efforts towards achieving a final settlement.

On behalf of the Government of the Republic of Cyprus, I wish to strongly protest these new provocative acts by Turkey against the sovereignty and territorial integrity of the Republic of Cyprus, which are in blatant disregard

of international law, the Charter of the United Nations and the relevant decisions of the Organization on the question of Cyprus. These continuing overflights by the Turkish Air Force, as well as the presence of the Turkish military occupation forces on the island, constitute the underlying causes of tension in Cyprus.

I should be grateful if you would have the present letter circulated as a document of the General Assembly, under agenda item 62, and of the Security Council.
